

Polish National Home
60 Charter Oak Avenue
Hartford, Connecticut

The Polish National Home is scheduled to reopen on a limited basis on Saturday, June 19 after being closed during the pandemic. We are grateful to them for allowing us to hold our event there on the 17th. However, the bar and kitchen will not be open, and so our hospitality will be simple and easy – dessert reception only. Please try to support the PNH by stopping by during their open hours.

IMPORTANT

Please consider the following appeal from the Polish National Home:

“The Polish National Home continues to face an urgent need for funds. As many of you are already aware, we have created a [fundraising page](#) to assist in alleviating mounting taxes and other obligations, as well as to make some necessary repairs and upgrades needed to re-open the social club at the PNH building.

We urgently ask for your help by:

- considering a donation in support of the PNH
- sharing the page to all your social media accounts and email contacts
- asking your contacts to share the page to their social media accounts/email contacts

The link to the fundraiser page is as follows:
