

Very special hand- crafted crèches are made and presented on the first Thursday of December in special competition in Cracow. They have shapes of Cracow`s buildings e.g St. Mary`s church.

In Poland to go about carol-singing from house to house is still popular. The carolers carry a large star, wear costumes of King Herod, an Angel, Devil, Death, Wild Ox etc. Caroling begins on Christmas Eve and in some areas continue to Candlemas Day, February 2.
